INDEX TO VOL. XIV.

NEW SERIES.

A.

Abcess in bone . . . 83
Acetabulum, removal of rim of 70
Aconitine, external use of . 293
Acne, treatment of . . 149
American Med. Asso., review of trans. of . . . 126
American Medical Association, meeting of . . . 316
Amputation of tongue, . . 146
Anaplasty in treatm't of ulcers, 86
Anatomy, microscopic notice of 136
Anæsthesia with cold, . . 312
Arbor vitæ in cancer . . 406
Arteries, treatm't of wounds of 301
Army, British, pay of medical department . . . 150
Asphyxia from detached bronchial gland, . . . 142

B.

Bartlett's apparatus for fractured clavicle, . . . 317
Bernard and Huette's surgery, notice of 286
Bigelow on nature in disease, notice of 138
Biographical sketches, . . 159
Bird, obituary notice of . 160
Bladders, worms in . . 154
Bleek on abscess in bone, . 83
Blind and deaf, statistics of . 150
Bone, abscess in . . . 83
Borax injections in diarrhœa, .
Brainard's letter to editors, . 319
Brainard's treatment of ununited fractures, . . . 131
Bronchitis, plastic . . 291
Bronchitis, chloride of ammonium in 149
Brooklyn, Cholera in, in 1854, 46
Budd on treatment of gout, . 292
Butcher on wounds of arteries, 301

C.

California, surgery in . . 158
California, medical plants in . 152
Cancer, arbor vitæ in . . 406
Cancer cured by caustic, . 296
Carbuncle, treatment of . . 294
Carotid ligature of external, . 3
Caustic, chloride of zinc, . 143
Caustic application of to cancer, 296
Cauterization in strabismus, 148
Cæsarian section, twice on same subject, ... 157
Charleston, yellow fever in . 306
Childbed fevers, notice of Meigs' work, ... 138
Chloroform, death from . 142
Chloride of zinc, . . . 143
Chloride of ammonium in chronic bronchitis, . . 149
Cholera in Brooklyn in 1854, . 46
Cholera, symptoms and phenomena of 54
Cholera, is it contagious? . 57
Cholera, premonitory diarrhœa in 57
Cholera, post mortem appearance in 60
Cholera, treatment of . . 66
Cholera, cause, nature and cure of 97, 268
Cholera, new form for opium and lead in 149
Chorea, strychnia in . .
Circular on nursing sore mouth, 347
Clark on Wilde's ear instrum'ts, 313
Clark on opium in peritonitis, 304
Clavicle, Bartlett's apparatus in fracture of 317
Climate of Sandwich Islands, 169
Collodion in orchitis, . . 299

Cold a local anæsthetic, . . 312
Comstock's physiology, notice of 289
Common salt in fever . . 403
Condyle of humerus, fracture of 382
Corson on valvular disease . 435
Cotton on chronic pneumonia 290
Counter irritant plasters, . . 149
Crawcour on glycerine . . 309
Cranium, diagnosis of tumors within 464
Cracked-pot sound not indicative of cavern . . . 466

D.

Deaf and blind, statistics of . 150
Death of Dr. Hiester . . 159
Death of Dr. Mather . . 159
Death of Dr. Turner . . 159
Death of Dr. Turk . . . 160
Death of Dr. Semple . . 160
Death of Dr. Parkman . . 160
Death of Dr. Golding Bird . 160
Death of Dr. Roupel . . 160
Death of Prof. Lallemand . 160
Death of J. W. Francis, Jr. . 318
Death of Dr. Hyslop . . 318
Deformities, new method of treating 131
Deformities, analysis of 3,000 cases of 298
Diarrhœa, sugar of lead in . 149
Dictionary, dental, notice of . 139
Dislocation of femur . . 23
Disease, nature in, notice of . 138
Diseases of interior valley, review of 112
Diseases of Sandwich Islands 178
Diseases of Oneida county, remarks on 264
Diuretic, common oat as . 150
Dowler on worms in bladder . 154
Drake, Daniel, review of treatise of 112
Dugas' report on lithotomy and lithotrity 154

E.

Ear instruments . . . 313
Elbow-joint, resection of . 310
Ellsworth's letter on nursing sore mouth 349
Elkoplasty 86
Emigrant ships, medical men for 150
Epidemics, report of committees on 127
Etherial solution of nitrate of silver 149
Eve's case of hypertrophied male mamma 156
Excision of uterine polypi . 302
Exsection of head of femur . 70
Exsection of femur, table of cases 81
Extirpation of uterus . . 157

F.

Female, high operation for stone in 252
Femur, dislocation of . . 23
Femur, exsection of head of . 70
Femur, table of cases of exsection of 81
Femoral hernia 146
Fenner on iron in yellow fever 151
Fever typhus, observations on 9
Fever yellow, tr. ferri. mur. in 150
Fever intermittent, large doses of quinine in 393
Fever, non-identity of typhus and typhoid . . . 465
Fevers of interior valley of North America 119
Fevers, childbed, notice of Meigs' work 138
Fevers, physical diagnosis of . 141
Fish, viviparous 159
Fistula, salivary treatment of 469
Foreign bodies, extraction from œsophagus 148
Foreign bodies in air passages, review of 279
Francis, obituary notice of . 318
Frazer on nature of green vomiting 140
Fractures ununited, new method of treating 131
Fractures, notice of Smith's work on 138
Frost on yellow fever . . 306

G.

Gastrotomy, case of . . 157
Geddings' case of extirpation of uteris 157

Gillespie on caustic in cancer . 296
Gland, bronchial, asphyxia from 142
Glycerine, internal use of . 309
Gout, treatment of . . . 292
Gross on air-passages, review of 278
Gulick on Sandwich Islands . 169

H.

Habersham on ulcers of stomach at Guy's . . . 294
Hyslop, obituary notice of . 318
Hamilton on elkoplasty . . 86
Harris' dictionary, notice of . 139
Hassall's microscopic anatomy, notice of 136
Hall's letter on nursing sore mouth 352
Heart, medico-legal relations of wounds of 425
Heart, portion most liable to be wounded 432
Heart, literature of wounds of 434
Heart, protracted valvular disease of 435
Heart, observations on wounds of 411
Heart, table of 41 cases of valvular disease of . . . 446
Heart, valves affected . . 448
Heart, obstruction and regurgitation 448
Heart, sex and age liable to valvular disease . . . 449
Heart, cases of valvular disease 449
Heart, duration of valvular disease 449
Heart, symptoms of valvular disease 450
Heart, diagnosis of valvular disease 453
Heart, prognosis of valvular disease 456
Heart, treatment of wounds of 430
Hernia, femoral 146
Hernia masked by a tumor . 147
Hernia, value of cough impulse as symptom of . . . 297
Hiester, obituary notice of . 159
Hilton's case of lithotomy . 300
Histology, Quekett's, notice of 288
Hooker's physiology, notice of 139
Human physiology, notice of 139
Humerus, fracture of condyle of 382
Hutchison, on cholera in Brooklyn 46
Hydrocephalus, tapping in . 145
Hyslop, obituary notice of . 318

I.

Ignorance of surgeons of prescribing 150
Illustrated manual of operative surgery, notice of . . 286
Intermittent fever, large doses of quinine in . . . 393
Irrigations nasal, in ozœna . 150
Iron, muriated tincture in yellow fever 151
Irritable stomach in phthisis . 293

J.

Judkins' letter on nursing sore mouth 357

K.

Knapp on cholera . . 97, 268
Knapp on nursing sore mouth 345
Knee-joint, suppurative inflammation of 342
Knee-joint, laceration of

L.

Lallemand, obituary notice of 160
Leaming on arbor vitæ in cancer 406
Lectures on histology, notice of 288
Lente on perineal section . 220
Literature of wounds of heart 434
Literature of nursing sore mouth 361
Lithotomy and lithotrity, relative value of . . . 154
Lithotomy in female . . 252
Lithotomy, case of . . . 300
Luxation of radius, with fracture of condyle . . . 382

M.

Maisonneuve on removal of maxilla and eye . . . 144
Mamma, hypertrophy in male 156
Manipulation in dislocated femur 23
Markoe on dislocation of femur 23
Markoe on luxation of radius . 382

Markoe on diagnosis of syphilitic orchitis . . . 471
Mason's case of rupture of uterus 157
ateria medica of Sandwich Islands 202
Mather, obituary notice of . 159
Maxilla superior, removal of . 144
McCall on diseases of Oneida county 264
Medical books, new editions of 159
Medical education, report of committee on . . . 126
Meigs on childbed fevers, notice of 138
Meningitis in the adult . . 258
Merinar's case of double cæsarian section . . . 157
Midwifery, Ramsbotham's, notice of 289
Microscopic anatomy, notice of 136
Military hospitals of Vera Cruz 329
Mortality, comparative, of wounds of heart . . 432
Morbux coxarius, exsection of femur in 70

N.

Naphegyi on yellow fever and vomito 329
Nasal irrigations in ozœna . 150
Nævus, removal of . . 312
Neuralgia, quinine in . . 149
Nitrate of silver, etherial solution of 149
Nursing sore mouth, history of 345
Nursing sore mouth, literature of 361
Nursing sore mouth, contributions of American physicians 365
Nursing sore mouth, Taylor on 379
Nursing sore mouth, Shanks on 378
Nursing sore mouth, Ware on 379
Nursing sore mouth, Holt on . 379
Nursing sore mouth, Channing on 374
Nursing sore mouth, King on 380

O.

Oat as a diuretic 118
Obituary . . 159, 160, 350
Observations on typhus fever . 9
Observations on cholera in Brooklyn 46
Observations on wound of heart 411
Occlusion of uterus, remarks on 231
Œsophagus, extraction of foreign bodies from . . 148
Oneida county, diseases of . 264
Operative surgery, review of . 286
Opium and lead in cholera . 148
Opium in chronic ulcers . 298
Opium in puerperal peritonitis 304
Orchitis, collodion in treatment of 299
Orchitis, diagnosis of syphilitic and non-syphilitic . . 471
Ovaries, puncture of, per vaginam 303
Ozœna treated by nasal irrigations 150

P.

Paralysis of portio dura . . 467
Paraplegia, phosphorus in . 470
Parkes on diagnosis of fevers . 141
Paracentisis capitis, case of . 145
Parker on high operation for stone 252
Patella, necrosis and fracture of 343
Parkman, obituary notice of . 160
Perineal section in stricture of urethra 220
Peritonitis, puerperal, opinion in 304
Peacock on treatment of plastic bronchitis . . . 291
Phillippeaux, treatment of tuberculous testicle . . 469
Phthisis, irritable stomach in . 293
Phosphorus in paraplegia . 467
Physiology, human, notice of . 139
Physiology, notice of . . 289
Plasters, counter irritant . 149
Plants, medical, in California . 152
Pneumonia, chronic . . 290
Positive medical agents . . 158
Polypi, advantages of excision of 302
Portio dura, paralysis of . 470
Protracted valvular disease . 435
Prize essay, review of . . 131
Prize essays, committee on . 318
Principles of physiology, notice of 289
Puncture of ovaries per vaginam 303

Puerperal anæmia, history of . 345
Puerperal anæmia, literature of 365
Purple on wounds of the heart 411
Pycemia, nature of . . 467

Q.

Quekett's histology, notice of 288
Quinine in neuralgia . . 149
Quinine, large doses of in fever 393
Quinine and tartaric acid in fever 402

R.

Radius, luxation of, with fracture of condyle , . . 382
Ramsbotham's midwifery, notice of 289
Reid, plan of reducing dislocacated femur 23
Remarks on occlusion of os uteri 231
Remarks on diseases of Oneida county 264
Remarks on Brainard's letter . 315
Report on lithotomy and lithotrity 154
Resection of elbow-joint . 310
Rodolfi on salivary fistula . 469
Roupel, obituary notice of . 160
Rumex crispus, analysis of . 211
Rumex crispus, medical properties of 218
Rupture of uterus . . . 157

S.

Salivary fistula, treatment of .
Salisbury on rumex crispus . 211
Sandwich Islands, medical history of 169
Sandwich Islands, geology of . 170
Sandwich Islands, meterology of 174
Sandwich Islands, diseases of 178
Sandwich Islands, materia medica of 202
Sayre on exsection of femur . 70
Scabies, vinegar in . . . 470
Schnetter on puncture of ovaries 303
Semple, obituary notice of . 160
Simmons on plants of California 152
Simpson on excision of uterine polypi 302
Simulated tumors . . . 143
Smith on fractures, notice of . 138
Smith on meningitis . . 258
Smith's case of resection of elbow 310
State medical society . . 318
Statistics of blind and deaf . 150
Statistical observations on wounds of heart . . . 411
Sterling on typhus fever . 9
Stethoscope, self-adjusting, . 472
Strabismus, treatment of . 148
Stricture of urethra, perineal section in 220
Stone, high operation for . 252
Stone on ulcer over patella . 342
Stomach, ulceration of . . 294
Superior maxilla and eye, removal of 144
Surgery, operative, notice of . 286
Surgery in California . . 158
Sugar of lead in diarrhœa . 149
Symptoms of meningitis, analysis of 258

T.

Tertiary syphilis, paralysis of portio dura in . . . 470
Testicle, tuberculous, treated with chloride of zinc . . 469
Tongue, amputation of . . 146
Thuya occidentalis in cancer 406
Treatment of plastic bronchitis 291
Treatment of gout . . 292
Treatment of carbuncle . . 294
Treatment of salivary fistula . 469
Tracheotomy in childhood . 468
Tumors, simulated . . . 143
Tumors, diagnosis of, in cranium 464
Turner, obituary notice of . 159
Turk, obituary notice of . 160
Typhus and typhoid fevers, non-identity of . . . 465
Typhus fever, observations on 9

U.

Ulceration of stomach . . 294
Ulcers treated by anaplasty . 86
Ulcers, chronic, opium in . 298
Ulcers over patella, danger of 342

Ununited fractures, treatment of 131
Urethra, perineal section in stricture of 220
Urinary bladder, worms in . 154
Uterus, extirpation of 157, 472
Uterus, rupture of 157
Uterus, remarks on occlusion of 231

V.

Valvular disease of heart . 435
Valley, interior, review of diseases of 112
Vera Cruz, military hospitals of 329
Vinegar in scabies . . . 470
Viviparous fish . . . 159
Vomiting, green, nature of . 140
Vomito at Vera Cruz . . 329
Vomito, symptoms of . . 340
Vomito, treatment of . . 342

W.

Warren, removal of nævus . 312
Willard on occlusion of uterus 231
Wilde's ear instruments . 313
Windsor on tumor masking hernia 147
Williams on quinine in fever . 393
Worms in urinary bladder . 154
Wounds of heart, table of cases 428
Wounds of heart, literature of 434
Wounds of heart, observations on 411
Wounds of heart, symptoms of 418
Wounds of heart, treatment of 420
Wounds of heart, prognosis of 423
Wounds of heart, forensic relations of 423

Y.

Yellow dock, analysis of . 211
Yellow fever, tr. ferri. mur. in 157
Yellow fever in Charleston . 306
Yellow fever at Cruz . . 229

Z.

Zinc as a caustic . . . 143
Zinc, chloride of, in tuberculous testicle . . . 469
